REVOLUTIONIZE YOUR DRIVING

Raise the performance bar and transform your SEAT Leon into a unique motoring experience designed exclusively for you. SEAT Accessories offers an extensive range of products that allow you to personalize your vehicle and create an individual combination of aesthetics and performance that's perfectly suited to your driving style.

From alloy wheels and aerodynamic kit, to steering wheels and roof racks, all accessories have been rigorously tested and come with the official SEAT Original Design seal guaranteeing authenticity, compatibility and utmost quality.

SEAT's Research Department uses the latest technology to develop new products and guarantee the highest quality in any item that bears the Original Design seal.

A team of dedicated experts ensures that every accessory meets the exacting, Original Design standards and is perfectly compatible with its intended SEAT model.

The Original Design accessories not only enhance the sporting aspects of your vehicle but also fully comply with SEAT's extensive safety standards.

The result of an extensive research, design and development process, the Leon aerodynamic kit excelled in wind tunnel tests for dynamic handling, temperature susceptibility and all-round performance.

A potent look for a powerful car.
Aerodynamic kit (1M5071670).

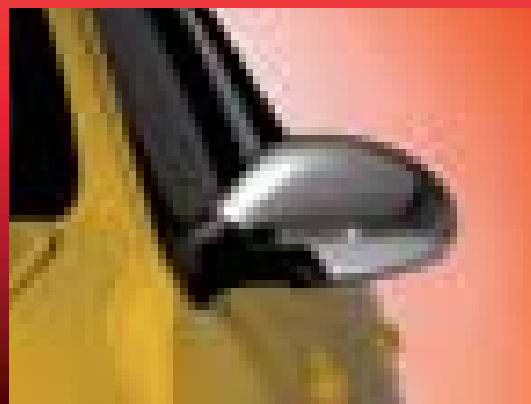

PUT ON MUSCLE

Increase your Leon's road presence and performance characteristics with this striking aerodynamic kit. Featuring front and back skirts, rear wing and a rocker

panel kit, the package amplifies the Leon's sporty looks while enhancing aerodynamics for a more efficient, responsive drive.

The SEAT Accessories' springs and sports suspension kits have been developed to reduce height, enhance safety and improve the car's direction and the braking stability.

Customized side mirrors finish chrome (000072500).

Turn your Leon into an exhilarating union of extrovert looks and athletic performance with these attitude filled enhancements: Our new stainless steel exhaust pipe with

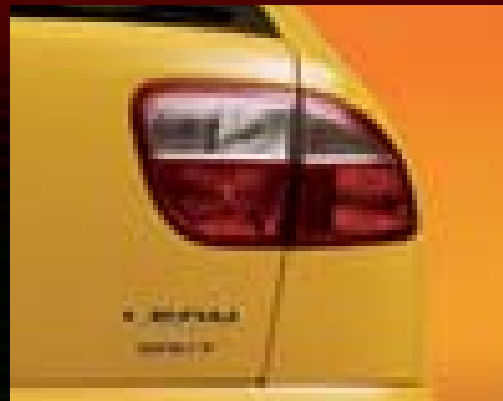

a stylish oval profile, and the rubber pedal and springs kit to provide a more precise, technical drive.

Alloy-rubber sports pedals manufactured in aluminium and rubber (000071700).

SEAT Sport sill guard kit personalized and manufactured in stainless steel (1M5071510).

Racing rear lights (1M5052250).

Race-style fuel filler cap trim. Manufactured in chromed ABS to avoid any fading (1M5064700).

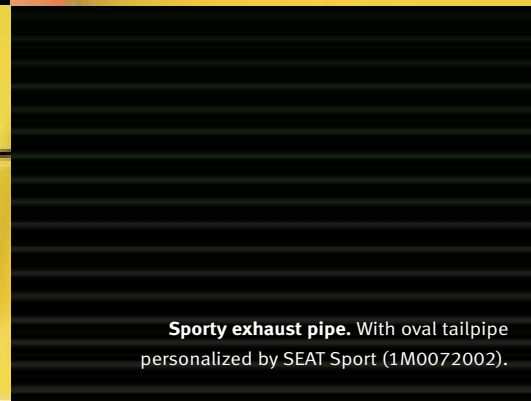

Personalised sill guards manufactured in stainless steel (1M5071500).

Front suspension spring kit (1M6071601) and rear suspension spring kit (1M6071602) reduces the height of the vehicle, reinforcing its sports performance.

Chromed decorative grille. High resistance ABS chrome (KE00070053).

Sporty exhaust pipe. With oval tailpipe personalized by SEAT Sport (1M0072002).

ONLY YOURSELF LEFT TO BEAT

Improve your driving with the sports suspension kit (1M6071600).

BEAUTIES OF THE ROAD

Every model in our wide range of alloy wheels has been developed from the most advanced technologies and constructed using only the lightest and most durable of materials.

This extreme attention to quality means you're guaranteed a flawless product that delivers superb performance.

1. Alloy wheels 6 x 14" (KZ07170053).
2. Alloy wheels 6 x 14" (KZ07170253).
3. Alloy wheels 6 x 14" (1M0601025G 666).
4. Alloy wheels 6 x 15" (1M0071496 666).
5. Alloy wheels 6 x 15" (1M0601025H 666).
6. Alloy wheels 6,5 x 16" (1M5071491 666).
7. Alloy wheels 7 x 15" (KZ07170153).
8. Alloy wheels 7 x 15" (KZ07170453).
9. Alloy wheels 7 x 15" (KZ07170553).
10. Alloy wheels 7 x 17" (1M5071492 12L).
11. Alloy wheels 7,5 x 17" (1M6071492 666).
12. SEAT Sport alloy wheels 6,5 x 16" (1M0071490).
13. SEAT Sport alloy wheels 7 x 17" (1M0071491).
14. SEAT Sport alloy wheels 7 x 17" (1M0071491A 666).
15. SEAT Sport alloy wheels 7 x 17" (1M0071491B 666).

Ensure greater security for your wheels with the **anti-theft device for wheels** (KS07250053) and the **anti-theft wheel bolts** (KS07215053).

Every alloy wheel is submitted to an exhaustive array of quality and performance tests to verify its robustness, aerodynamics and dynamic characteristics.

GET READY FOR TAKE-OFF

The ergonomic design of the RECARO sport seats cradles your body perfectly, providing total comfort and a responsive, sporty feel to even the most challenging drive.

Anatomically designed, the SEAT Accessories' gear knobs feel moulded to your hand and make achieving total control of your SEAT Leon both effortless and instinctive. The Allen Bolt model, for example, is finished in aluminium and black leather for added sporty aesthetics.

RECARO Racing seat. Side airbag; adjustable height and lower back with extensible legrest (check references).

The SEAT RECARO Sport seats have undergone rigorous ergonomic testing so as to provide an ideal driving position and reduce driver fatigue.

With SEAT Accessories, sports car interiors can also offer luxury car comfort. Sufficient storage space for all your journey's needs is provided by a stylish and practical central armrest, while the 'aesthetics enhancement package' creates an interior as strikingly impressive as the Leon's exterior.

Central armrest (check references).

COMFORTABLY SPORTY

The 'aesthetics enhancement package' includes a central console that adapts perfectly to either a climatronic or air conditioned equipped Leon.

Dashboard trim kit includes central console, air vent trims, switches surround and electric front window buttons.

Door-lock buttons (1M0099002).

 The CD Radio Aura incorporates an ignition key activation, anti-theft security code, and a speed-linked volume control.

Radio-cassette Aura, with 4 x 20 w output capacity (1M0035186).
CD-Radio Aura, includes single CD player (1M0035186K).
Radio-cassette Brisa, with 4 x 7w output capacity (1M0035152E).

Cassette box, with capacity for 4 cassettes (KA 00013053) and **CD box** with capacity for 4 CDs (KA 00013353).

Rear speakers kit, for front and back doors (KA 17701553).

Subwoofer. With a 200 mm back conical loudspeaker (6L1051700). **Performance Kit**, with a 600 w amplifier (1M0051200).

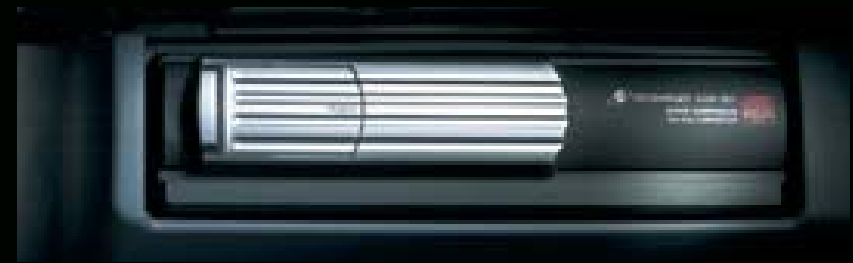

POWER DELIVERY

Now you can equip your Leon with sound power to match its horsepower. High-performance audio accessories include a CD changer (6 CD capacity and a playback range of 5-20,000 Hz), a sound upgrade kit (600W amplifier and spatial sound) and 4-door speakers (with tweeter and woofer).

CD changer kit (check references).

SONY CD changer kit (check references).

Thanks to the compressor's humidity absorption capabilities, the air conditioner is also able to provide warmth in winter without steaming up the car's windows.

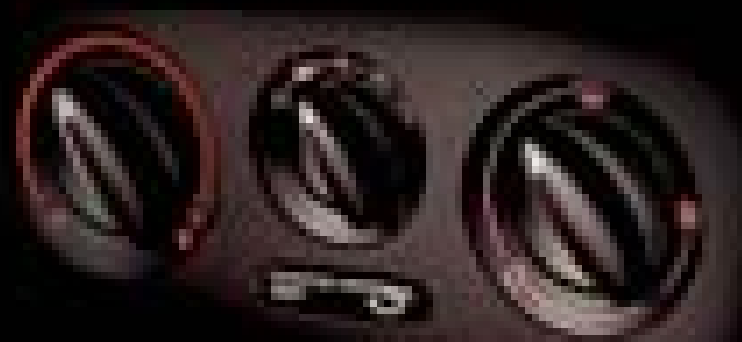

DRIVE YOUR OWN WAY

Enhance drive comfort and pleasure with air conditioning and a hands-free, mobile phone kit. The air conditioning system utilises an R-134, environmental cooler unit which maintains temperatures and air purity so you can always enjoy a comfortable interior.

The SDB hands-free kit allows you to speak on your mobile phone while keeping both hands on the wheel. It provides a safer, more comfortable way to stay in touch.

Air conditioning (Check references).

Emergency Centre

The emergency centre is a telephone service that organises roadside assistance 24 hours a day, 7 days a week.

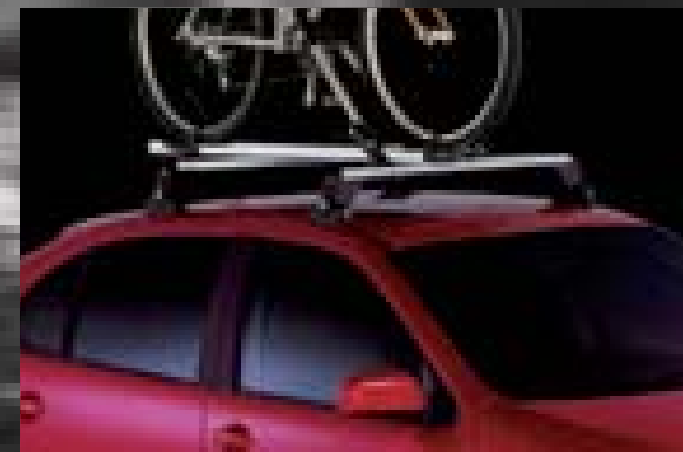

Information Centre

The information centre is a telephone service that operates 24 hours a day, 365 days a year. It provides access to a large resource of invaluable vehicle related information e.g. data about SEAT services, technical enquiries regarding the vehicle, or service scheduling information. All this, and much more is, available by simply pressing the "i" button.

SDB Hands-free kit (Check references).

The Cupra R Bicycle features a Megamo frame with X fusion 02 pro/rock shox central shock absorber, Shimano XTR gear system and Rock shox sid race forks. The SEAT Leon's equivalent in the world of BTT.

Surfboard rack (445071127), ski rack (4 pairs of skis or 2 snowboards, 3B0071129B, 6 pairs of skis or 2 snowboards 3B0071129C) and bicycle rack (6L0071128).

Enjoy the mountains with the Cupra R and the Cupra Performance bikes (check references).

Ratchet fastening strap (000017771).
Tow bar (Check references).

Roof bars (1M6071126).

MAXIMIZE YOUR SPACE

Using the tow bar and the roof bars you will considerably increase the space of your SEAT Leon. The tow bar comes with a cover and locking device meaning you can secure your boat or trailer when parked up for the night. The roof rack is constructed of anodised aluminium and includes an anti-theft locking device so you don't need to worry about your surfboards or skis either.

GIVE YOUR KIDS BODYGUARDS

✓ The Peke G1 Isofix Duo plus seat incorporates the Isofix system, a total safety mechanism that attaches directly to the car chassis. It also includes some of the strongest and most durable mounting materials on the market.
