SEAT CORDOBA accessories

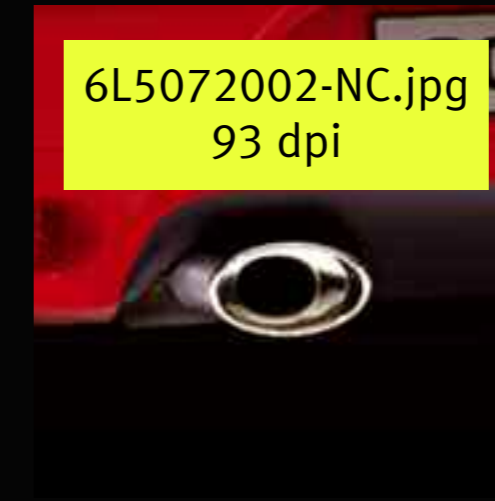

Dual bulb headlamps in red (6L0052180R) or silver (6L0052180G).
Front chrome decorative grille kit (6L0052531).

P2_3-NC.jpg
150 dpi

Get used to success.

Get used to winning with this central exhaust tail pipe made in stainless steel, spectacular designs like the chrome finish wing mirrors or the colour-coded dual headlamps. You and your SEAT Cordoba will be a winning team.

6L5072002-NC.jpg
93 dpi

Oval sporty exhaust pipe with SEAT Sport's signature (6L5072002).

Customised side mirrors (000072500).

Race-style fuel cap in highly resistant ABS chrome (6L0064700).

Hatchback moulding (6L5071360).

Personalised sill guards with the name of the model (6L5071500).

Personalised SEAT Sport sill guards manufactured in stainless steel (6L5071510).

Black-backed rear lights (6L5052250N).

Designed for a harmonious balance.

Enjoy the balance between looks and sportiness, between design and performance. Enjoy a better driving experience by installing the strut brace or suspension kit. Feel the power of the Brembo brakes as they stop your Cordoba in just a few metres. All this without forgetting the exclusive alloy wheels. A perfect combination between technology and beauty.

The Brembo sport brakes kit (6L6071450) not only comes with the guarantee of a leading manufacturer but also one with experience in competing in top motor racing events world-wide. The oversized brake disc along with the four-piston high performance calliper give an immediate reaction even for the sportiest drive. The kit also contains metallic lines that give a faster and a more secure response. The technology and materials used in the development of the Brembo kits are the most advanced in the world of competition and have the SEAT stamp of approval.

Strut brace made from highly resistant steel (6L0071710).

Sports suspension kit (TDI © 6L0071690 and petrol 6L0071691).

Ensure maximum security with the anti-theft device for wheels (000071500) and the anti-theft wheel bolts (000071510A).

Sports pedals in aluminium and rubber (000071700).

Enjoy the most exclusive designs with these alloy wheels.
6x14" DEVA (6L0601025F),
6x15" BEDIA (6L0601025G),
6,5x16" SEAT Sport Speedline (6L0071490) and 7x17" SEAT Sport OZ (6L0071491).

Choose the winning combination.

Choose the winning combination of design and sportiness. See how the high quality gear knobs fit perfectly into the palm of your hand allowing you to enjoy more control and grip for each gear change. Choose which combination you prefer for the gauge covers or the dashboard trim kits. It's all in your hands. You choose.

Aluminium instrument panel mask (6L6072311).

Spherical aluminium/black leather gear knob for 5-speed (6L0064325A).

Allen gear knob for 5-speed (6L0064335).

Spherical aluminium/red leather gear knob for 5-speed (6L0064325AR).

Spherical leather/Air metal gear knob for 5-speed (5P1064321).

Hand brake cover in red (6L0064310R), black (6L0064310N) or technical aluminium finish (6L0064310AL).

Chromed gear lever surround (6L0072400).

Sun roller-blind to protect from the sun's rays (6L5064100).

Dashboard trim kits (models with air conditioning 6L0064703, with Climatronic 6L0064703A) and air vent trim kit (6L0072300).

Leather armrest (6L6061000).

The new 8" **subwoofer** (1P0051701) gives a deep and powerful sound thanks to the Bass Reflex enclosure and a 190 W RMS amplifier and 80 W output, to keep your ears wide awake.

Rear speakers improve the sound quality in your car (6L0051609).

The **radio-CD Alana MP3** plays MP3 and CD audio (6L0035186A).

Enjoy your favourite tunes.

With the CD changer with a capacity for up to 6 CDs and a frequency of 10-20.000 Hz, you can listen to your favourite tunes without interruption. Or if you prefer, you can create your own mini cinema with these portable DVDs. Thanks to the subwoofer installed in the boot of your car, you won't need to worry about the quality of the sound.

CD changer holds up to 6 CDs (1J6035111).

CD box with holds up to 4 CDs (6L0061131).

Portable DVD player with Digital TV (000051804).

Portable DVD player with 10,2" screen (000051805).

Let yourself get carried away.

Turn on the air conditioning for the perfect temperature. Start the navigation and GPS system and let them worry about getting you to your chosen destination. Talk on the phone without taking your hands off the wheel and enjoy the perfect sound quality. Don't miss out on this latest technology. Let yourself get carried away.

Enjoy the perfect temperature with this **Climatronic** system (check engine series for references).

Avoid cuing with this **navigation system** (6L0051700).

Air conditioning (check engine series for references).

The Bluetooth hands-free kit **Parrot CK3100** (000051455) comes with an advanced system of noise reduction and voice activation.

Bluetooth hands-free kit **Nomad** (000051460).

The Bluetooth hands-free kit **Parrot CK3000** (000051453) can be used for up to three different mobile telephones.

More speed. More strength. More agility.

Discover the full potential of your SEAT Cordoba. With the roof bars and of course the tow bar both made from high resistance aluminium and an anti-theft locking system (along with the two-bar), you can enjoy your free time wherever and whenever without compromising security.

Ratchet fastening straps (000017771).

Surfboard rack (445071127), ski rack (4 pairs of skis or 2 snowboards 3B0071129D, 6 pairs of skis or 2 snowboards 3B0071129E) and bicycle rack (6L0071128A).

Tow bar with automatic coupling head and locking device (6L5092155).

Peke G1 Isofix Duo Plus seat (000019221A).

Peke G3 Plus seat.
For children from 3 to 12 years (000019222A).

Peke G0 Plus seat.
For children up to 15 months (000019220A).

Your guardian angel does exist.

The advanced Peke G1 Isofix Duo Plus child seat with Isofix system, includes a mechanism which has one of the most solid fastenings available on the market. This advanced system incorporates a mechanism of high resistance that consists of two fixed metal points. This means that the seat is firmly attached to the chassis of the car, guaranteeing full safety. With these Isofix seats, your children will always have a guardian angel close by.

CHILD SEATS					
SEAT MODEL	AGES (approx.)	WEIGHT	LOCATION		Orientation in vehicle
			Front passenger seat	Back seat	
PEKE G0 Plus 000019220A	up to 15 months	up to 13 kg.	YES If airbag is included this should be disconnected.	YES With 3 point safety-belt.	Only towards back
PEKE G1 Isofix Duo Plus 000019221A	8 months to 4 years	9 to 18 kg.	YES Move seat back as far as possible.	YES With 3 point safety-belt, side seats with Isofix.	Only towards front
PEKE G3 Plus 000019222A	3 to 12 years	15 to 36 kg.	YES Move seat back as far as possible.	YES With 3 point safety-belt.	Only towards front
RECARO 000019950A	9 months to 12 years	9 to 36 kg.	NO	YES With 3 point safety-belt.	Only towards front

Recaro safety seat for children (000019950A).

Belt cushion (000019954).

Comfort cushion set (000019955).

Footrest (000019951).

Impact cushion (000019958).

A clear road ahead.

From now on nothing should surprise your SEAT Cordoba. The Spikes Spider and Autosock snow chains are designed and made with the highest quality material. And with fog lights that give a better distribution of light, and the fog lamp kit with all the spares, you'll have everything under control.

Blue Xenon lamps for increased night vision (check references).

Bulb kit for single H4 bulbs (000052004A).

Bulb kit for dual H3+H7 bulbs (000052037A).

Spikes Spider and Autosock snow chains (see table).

Reflective jacket (000093900SA) and **warning triangle** made of plastic reflective material (000093056A). **First aid kit** (6L0093000) and **portable thermal box** with thermal case and temperature indicator (000065200).

Elastic cover (6L5061701).

Forever young.

To keep your SEAT Cordoba looking brand new, we developed some cleaning maintenance products that give added protection to your car. They also enhance the bodywork colour. With the elastic cover and mat set your vehicle will always be in perfect condition.

Original car care products (check references).

The touch-up pencils guarantee an exact body tone match (check references).

Audio/Navigation

Navigation system.	The Radio-CD comes with navigation system and a 6,5" TFT screen integrated in the dashboard. The Radio-CD has 4x20 watts power RMS, 24 pre-set channels, traffic information and RDS. The navigation system provides information for alternative routes (TMC) and stores the last selected destinations. Maps provided by TeleAtlas.	6L0051700
Siemens VDO MS2050 navigation kit.	Portable navigation kit with 3,5" TFT tactile screen with 64 Mb internal memory and SD card slot. IR receiver for remotng control on wheel. Interchangeable Lithium/ion battery.	000051760
TomTom ONE navigation kit.	Portable navigation kit with 3,5" screen. Only 260 gr. Bluetooth connection for TomTom Plus Service available. "Door to door" route plan for Spain and Portugal. Different types of routes. No installation needed. Plug and ready.	000051729
TomTom ONE XL navigation kit.	Tactile 4,3" wide screen. Real traffic control and TeleAtlas cartography. With Bluetooth 2.0. and lithium interchangeable battery. Includes CD instruction manual, car battery charger, USB cable and device holder.	000051810
Navigon 3100 navigation kit.	Portable navigation system with 3,5" screen. Traffic and speed control. Indicates streets and traffic signs. Includes CD, instruction manual, car battery charger, USB cable, device holder and 512 Mb SD memory card.	000051749
Navigon 5100 navigation kit.	Portable navigation system with 4,3" screen. Traffic and speed control. Indicates streets and traffic signs. Includes CD, instruction manual, car battery charger, USB cable, device holder and 512 Mb SD memory card.	000051765
Navigon 7100 navigation kit.	Portable navigation system with 4,3" screen. Traffic and speed control. Indicates streets and traffic signs. With Bluetooth system, it includes CD, instruction manual, car battery charger, USB cable, device holder and 512 Mb SD memory card.	000051769
DVD player with Digital TV.	Multimedia system compatible with DVD, CD, CD-R, CD-RW, SVCD, DivX, MPEG, MP3 and WMA. Panoramic 7" screen and Digital TV receiver. USB plug-in and SD, MS and MMC cards reader. Includes transport bag, lithium battery, remote control, antenna, car and house battery charger.	000051804
DVD player with 10,2" screen.	DVD player with 10,2" screen compatible with DVD, DVD-R, DVD+R, DVD+RW, DVD-RW, VCD, SVCD, CD, JPEG, MP3, DivX, WMA, Picture CD and Mpeg4. It includes USB connection and SD, MMC and MS cards reader, battery, A/V and headphones.	000051805
5,8" monitor.	Antiglare TFT widescreen (5,8" and 16:9) with integrated loudspeaker. Special display brightness control that automatically adapts to ambient light. Video in and lighted remote control.	000051200A
CD changer assembly kit.	Includes all necessary parts to set up the CD changer ref. 1J6035111 in front glove compartment. LHD only.	6L0051324
CD changer.	Changer with capacity for 6 CDs. Playback range 5-20.000 Hz (+/- 1dB), converter D/A MASH 1bit, random playback facility. Installed inside the glove compartment.	1J6035111
Additional CD holder.	Additional CD magazine with room for up to 6 CDs. Suitable to the CD changer ref. 1J6035111.	3B0051179
CD box.	Up to 4 CDs. With visual sign for loaded tray and automatic ejecting system.	6L0061131
Front loading 6-CD Changer.	Capacity to hold 6 CDs.	7M7051250
Single CD.	Single CD player. Random play and track search.	7M7035119A
Bluetooth hands-free kit CK3000.	Wireless connection with reduced energy consumption. Automatic telephone connection comes with this option. It allows you to talk on the telephone without taking it out of your pocket. Voice activated along with volume control. Car speaker connection for optimum reception. Comes with call waiting system, redial and is synchronized to your phone book. Identifies entering calls and recognizes up to 200 names.	000051453

Bluetooth hands-free kit CK3100.	Wireless connection with minimum consumption of energy. Available with LCD information. Automatic radio silencer. Automatic telephone connection comes with this option. It allows you to talk on the phone without taking it out of your pocket. Voice activated along with volume control. Car speaker connection for optimum reception. Comes with call waiting system, redial and is synchronized to your phone book. Identifies entering calls and recognizes up to 200 names.	000051455
Bluetooth hands-free kit Nomad.	Easy plug-in and transport thanks to its reduced size. More than 10 hours' conversation and 1 week battery life.	000051460
Telephone bracket.	Specially adapted to the dashboard, it enables the installation of any hands-free kit. LHD only.	6L0051600
Hands-free kit SDB.	The SDB system (for compatible telephones only) includes 2 direct dialing buttons to the SEAT Answer 24 h. Service and the emergency centre SEAT Assistance.
