SEAT LEON accessories

A wolf in wolf's clothing.

The stainless steel double exhaust pipe doesn't just give a sporty look, its stainless steel silencer also gives out a deep sound that will make you weak at the knees.

If the SEAT Accessories products make your heart beat faster, the new aerodynamic kit will take your breath away.

By incorporating elements which reduce air resistance (like the top spoiler, the side skirts and front bumper), you can transform your vehicle making you feel complete on the inside and out. A wolf in wolf's clothing.

The aerodynamic kit (1P1071670) reinforces the car's sporty character and increases the dynamic strength of the vehicle, giving it optimum performance around bends.

Enjoy a night flight.

The Brembo sport brake kit (1P0071450) not only comes with the guarantee of a leading manufacturer but also one with experience in competing in top motor racing events world-wide. The oversized brake disc along with the four-piston high performance caliper give an immediate reaction even for the sportiest drive. The kit contains metallic lines which give a faster and safer response. The technology along with the materials used in developing the Brembo kit are the most advanced in its field.

If you want your Leon to look at you differently, the colour-coded dual bulb headlamp kit in body paint colours (grey 5P1052180G, black 5P1052180N) will also reinforce its sporty look.

Go into the night and defy the darkness with the Xenon lights. Challenge the fog without being afraid of getting lost. Adapt the eyes of your Leon to the colour of the bodywork and feel the power of the sporty brakes kit. The city sleeps. Now is the time to enjoy a night flight.

The fog lamp kit (1P1052161) lights up the road effectively when visibility is decreased.

The blue Xenon lamps (short beam 6L0052001 and long beam 6L0052007) emit a beam of light that increases the contrast and sharpness of objects.

Always keep the bulb kit (000052173A) in the boot of your car as you never know when you might need it.

Goodbye to **anonymity.**

Nobody can feel indifferent when faced with the finished look of your SEAT Leon. Every single accessory shown here is designed so that you clearly define your style to those around you. Be different. Be yourself. Set your own style and say goodbye to anonymity.

The double exhaust system personalised by SEAT Sport in stainless steel, gives you a different look together with the rear hatchback moulding (1P0071350).

If the front of your Leon was already impressive, the chrome front moulding kit (1P0052530) will leave you breathless.

Protect the doorframe with these Leon engraved exterior sill guards (1P0071500).

The interior sill guards (1P0071500A) engraved with the SEAT Leon logo are perfectly visible from the interior and protect the entrance to your vehicle.

The suspension spring kit enhances the suspension and reinforces the stability by reducing the height of your vehicle. (*)

Mirrors on both sides. The chrome finish wing mirror casing (1P0072500) dazzles you which ever way you look.

Front mesh in honeycomb shape (1P0052535) together with the lower air intakes.

The chrome finish exterior door handle covers (000071301A) make an impression when entering the vehicle.

The oval exhaust tail pipe gives a sporty look to your car. (*)

The double exhaust tail pipe enhances the sporty image of your Leon. (*)

More than just physical attraction.

Sometimes seduction is more than just beauty and physical appearance. The technology used in the design of our alloy wheels and our strict quality control are more than enough of a reason to let yourself go and fall into temptation.

Anti-theft wheel bolts (000071510A) and anti-theft device for wheels (000071500).

Let yourself get carried away with this complete bumper moulding kit (1P0052531).

16" alloy wheel (5P5071490).

17" Alhena alloy wheel (5P0601025D).

17" colour-silver alloy wheel (1P0071490).

17" anthracite silver polished (5P0071491) or clear matt titanium (5P0071490) alloy wheel.

18" polished aluminium (5P0071493) or clear matt titanium (5P0071492) alloy wheel.

18" silver polished (1P0071491), silver colour (1P0071492) or anthracite (5P8071490) alloy wheel.

BBS 18" polished aluminium (1P0071494) alloy wheel.

BBS 18" (1P0071495) alloy wheel.

BBS 18" silver colour (1P0071496) alloy wheel.

The world within arm's reach.

It's what's inside that counts. All the interior accessories are much more than simple aesthetic changes. They are an expression of your own personality. The opportunity to change the world is within arm's reach.

The 'Speed' metal gear knob for 6-speed gearbox (1P1064320A) is an exclusive design brought to you by SEAT Accessories.

The spherical aluminium/red leather gear knob 5-speed aesthetics (6L0064325AR) gives a more sporty feel to the inside of your vehicle.

Feel the racing spirit with this Allen bolt gear knob for 5-speed gearbox (6L0064335).

'Speed' leather gear knob for 6-speed gearbox (1P1064321A).

Spherical gear knob in carbon/aluminium finish for 6-speed gearbox (5P1064322A) and hand brake cover finish aluminium (1P0064310A).

Spherical gear knob leather/Air metal 6-speed gearbox (5P1064321A) and hand brake cover finish Air metal (1P0064310).

Install the sport pedals (5P1071700) and sport footrest (5P1071750) in your SEAT Leon in order to improve your grip.

Chrome finish gauge and indicator cover (1P1072311).

Dashboard trim kit outlines the air conditioning and navigation system (1P1064710B).

The door trim kit (1P1064730) on the inside of the doors enhances the door handle and contour of the speakers.

The chrome finish air vent trim kit (1P0064700) will make you feel even sportier.

Smoker's kit (5P0857900K).

The power to control your surroundings.

It's not so important when you arrive but the enjoyment you feel along the way. The navigation kits from SEAT Accessories allow you to arrive at your destination the way you want to. From left to right: VDO MS2050 (000051760), TomTom ONE (000051729), TomTom ONE XL (000051810), Navigon 3100 (000051749), Navigon 5100 (000051765) and Navigon 7100 (000051769).

The Bluetooth hands-free kit allows you to enjoy your journey without taking your eyes off the road. From left to right: Bluetooth hands-free kit Nomad (000051460), Parrot CK3100 (000051454) and Parrot CK3000 (000051452).

This 8" subwoofer (1P0051701) gives a deep and powerful sound to keep your ears wide awake. With a Bass Reflex enclosure, a 190 W RMS amplifier and 80 W of power.

The navigation system with 6,5" screen and radio-CD (1P1051700) is integrated into the dashboard along with digital traffic control memory and RDS. It also offers information about alternative routes (TMC) and memorises the last selected destinations.

Portable DVD player with 10,2" screen (000051805).

Portable DVD player with Digital TV (000051804).

Comfortable and practical. The armrest (1P1061000) is the perfect companion on long journeys and comes with a useful compartment for small objects, such as credit cards.

Internal decorative kit in red leather (1P0064301) and armrest in red leather (1P0061000).

Keep your drinks and food cool and fresh with this portable thermal box (000065203).

Acquire extra space with this additional boot tray (1P0061200).

The sun-roller blind (1P1064100) blocks the sun's rays and keeps the inside of the vehicle cool.

Choose your own destination.

You don't need an excuse to enjoy the weekend. The tow-bar and the solid roofs bars made from high-resistance aluminium let you carry whatever load safely and comfortably, all the way to your chosen destination.

If you want to carry extra equipment in your SEAT Leon you will need these roof bars (1P0071101A).

There are two types of ski racks available for ski lovers; 4 pairs (3B0071129D) and 6 pairs (3B0071129E).

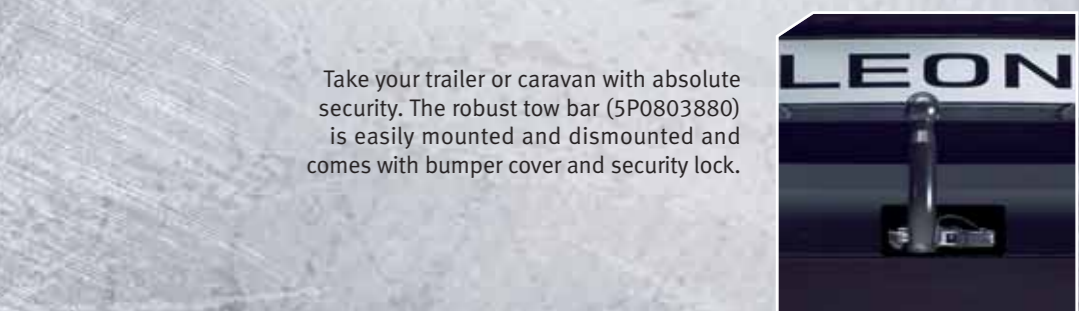

Roof box with a capacity of up to 300 l. (000071180) with an opening available on both sides.

The fastening strap kit (000017770) along with the Ratchet fastening strap (000017771) allows you to carry an extra load and avoids displacement on sudden braking.

The bicycle rack (6L0071128A) in a thermoformed plastic frame comes with an anti-theft locking device and key.

Take your trailer or caravan with absolute security. The robust tow bar (5P0803880) is easily mounted and dismantled and comes with bumper cover and security lock.

The surfboard rack (445071127) allows you to carry one or two boards along with their masts quickly and without any problems.

Roof box with a capacity of up to 450 l. (000071180A).

Far from losing control.

Temperamental but not out of control. Safety is paramount. There's always a good reason to improve children's safety or your Leon's grip. SEAT Accessories offers you a wide variety of products so that you keep everything under control.

There are a great variety of child safety seats that are adaptable to your SEAT Leon: Peke G0 Plus (000019220A), Peke G3 Plus (000019222A) and Recaro (000019950A).

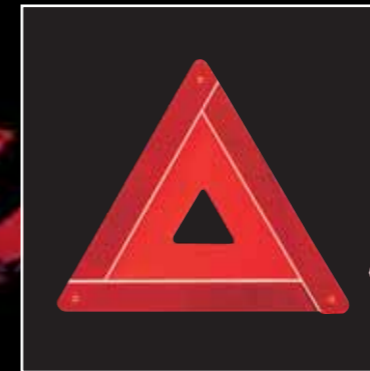

CHILD SEATS			
	AGES (approx.)	WEIGHT	ORIENTATION IN VEHICLE
PEKE G0 Plus	up to 15 months	up to 13 Kg.	
PEKE G1 Isofix Duo Plus	8 months to 4 years	9 to 18 Kg.	
PEKE G3 Plus	3 to 12 years	15 to 36 Kg.	
RECARO	9 months to 12 years	9 to 36 Kg.	

Peke G1 Isofix Duo Plus (000019221A) safety seat for children from 8 months to 4 years.

The foldable warning triangle (000093056A) stores easily.

The first aid kit (6L0093000) contains all the required components to attend to any emergency.

The reflective jacket (000093900SA) follows safety standards and is extremely useful if you want to be seen outside your vehicle.
